# **Jefferson County Tourist Development Council Special Event Grant Program**

## **I. INTRODUCTION AND DEFINITION**

The Jefferson County Tourist Development Council (TDC) was created pursuant to the State of Florida Local Option Tourist Development Act and Jefferson County Code Article 3, Sections 32-54. The TDC administers funds collected from a local option tourist development tax on occupied transient lodging sales, i.e. hotels/motels, bed and breakfast facilities and campgrounds. The funds are designated to promote Jefferson County as a preferred visitor destination with emphasis in the following markets: special events, cultural activities, nature based activities, weddings, and amateur sporting events.

The TDC allocates funds from its annual budget to a grant program for local groups and organizations that coordinate events with a demonstrated history of visitor impact or significant potential to draw visitors to the area. The Special Event Grant Fund is administered and scored by the TDC. The grants are awarded by the Jefferson County Board of County Commissioners (BOCC).

A "Special Event" shall be defined as a new or existing organized concert, exhibition, festival, or fair, which is conducted according to a prearranged schedule and in which general public interest is manifested. For the purpose of this grant program, the public interest should extend to Jefferson County residents and to those living outside Jefferson County who would consider visiting the destination and staying overnight to observe or participate.

Each application will be evaluated against established criteria. The number and extent of these grants will be dependent upon the availability of designated funds. Ideally, the funds allocated by the Jefferson County BOCC will eventually be returned through an increase in transient lodging sales and the tourist development tax generated from those sales.

## **II. STATEMENT OF POLICIES**

- A. Grant funds are intended to supplement the sponsoring organization's event budget.
- B. Funding is not intended to support administrative costs or non-public events. Funding is intended to support marketing and promotional efforts.
- C. Grant applications will only be received during the advertised cycle. One application will be accepted per event. In the event that a Special Event Grant application is received outside of the Tourist Development Council's designated submission dates and grant funds are still available in the budget, the Council may elect to consider the request.
- D. Lodging secured for the event must be located within Jefferson County.
- E. Funding shall be provided as reimbursement for approved actual expenditures. An exception may be made, on a case by case basis, for vendors who, because of the nature of services provided, require payment in advance. Payments will not be made to the awardees of the grant.
- F. A Post-Event Report must be submitted. The report must include tracking statistics

regarding out-of-town visitors and their overall impact on the local economy, particularly on transient lodging facilities and occupancy. Failure to submit a Post-Event Report will result in disqualification for future support.
